POWER TRANSFER AGREEMENT

Between the National Government and Pharmalyte Corporation

Date: 14 August 2049

This document confirms the official transfer of national authority from the National Government to Pharmalyte Corporation.

Both parties agree to the following terms:

1. Transfer of Authority

The Government agrees to transfer full control of national leadership, decision making and law creation to Pharmalyte.

Pharmalyte accepts full responsibility for running the country.

2. Control of Government Offices

All government ministries, departments, and services will now be operated under Pharmalyte management.

Government officials will follow Pharmalyte rules, training, and instructions.

3. Information and Communication

Pharmalyte will take control of the nations news, communication systems, and public messaging to keep order and stability in the country.

4. Administration and Staff

Pharmalyte may place its own staff into any government position to ensure efficiency and smooth operations.

5. Permanence of the Agreement

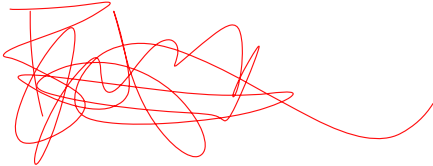

This agreement is permanent and cannot be reversed without written approval from Pharmalyte.

6. Effective Date

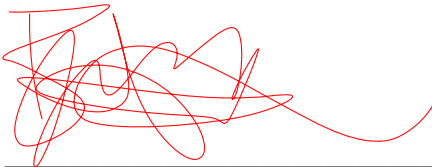

The transfer of power becomes effective immediately on the date of signing.
